

HORIZON *INTERCITY*

NO MORE DUBBING IN YOUR ROUTES

With its huge capacity that can reach up to **106 sitting passengers**, our Ayats Intercity vehicle is a guarantee of profitability for our customers as it offers the lowest cost per seat of the market.

Its great versatility, as it is an integral product, allows it to adapt to any customers' needs. Our Intercity is ideal for medium distance routes that require a high passengers capacity.

Thanks to our design and special low floor chassis, our HORIZON Intercity is the vehicle with the highest capacity per m² on the market.

Modularity, profitability and high capacity

It also offers multiple options such as the possibility to have easily removable luggage structures for those routes requiring so.

*Equipped with Daimler Engine; our vehicle has one of the **lowest consumptions of the market**. In addition to its high profitability per seat, Intercity is the best choice for those clients seeking profitability and efficiency in their routes. As it is an integral product, we are able to produce it with two axles, obtaining an unbeatable manoeuvrability.*
